PRIMARY CARE PARTNERS SURPASSES 50 MEMBERS

MORRISTOWN, NJ - - DECEMBER, 2013 – Atlantic Health System (AHS) commemorated Primary Care Partners’ (PCP) recent growth by announcing the network has expanded to more than 50 providers since its inception two years ago. A clinically affiliated network of family practice, internal medicine, and pediatric physician groups, Primary Care Partners was designed to improve and effectively coordinate patient care in northern New Jersey. Offering practice management and information technology solutions that enable physicians to focus more time on patients while meeting the demands of a changing healthcare environment, PCP is now the largest pure primary care organization in northern New Jersey with clinical strategic alliances with Atlantic Health System.

“We are very pleased with the rate at which our network is growing,” said David Shulkin, MD, president, Primary Care Partners. “PCP now offers locations from the New Brunswick area to Vernon and is committed to serving our community through innovative healthy solutions.”

PCP’s mission is to improve the quality of medical care, coordinate the delivery of that care, with leading patient experience for each and every member of the communities served.
