PRIMARY CARE PARTNERS SURPASSES 80 MEMBERS & CELEBRATES ITS 3rd YEAR ANNIVERSARY

MORRISTOWN, NJ - - November 3, 2014 – Atlantic Health System (AHS) commemorated Primary Care Partners' (PCP) recent growth by announcing the network has expanded to more than 80 providers across nine (9) New Jersey and Pennsylvania counties since its inception three years ago in 2011.

A clinically affiliated network of family medicine, internal medicine, and pediatric physician groups, Primary Care Partners was designed to improve and effectively coordinate patient care in northern New Jersey. Offering practice management and information technology solutions that enable physicians to focus critical time on patients while meeting the demands of an ever-changing healthcare environment, PCP is now the largest pure primary care organization in northern New Jersey with clinical strategic alliances with Atlantic Health System.

"We are very pleased with the rate at which our network is growing in the primary care space," said David Shulkin, MD, president, Primary Care Partners. "PCP now offers practice locations from the New Brunswick area to Sussex County to Pennsylvania and is committed to serving our community through innovative healthy solutions."

Primary Care Partner's strives to improve the quality of medical care, coordinate the delivery of that care, with leading patient experience for each and every member of the communities served.
