**PRIMARY CARE PARTNERS LAUNCHES A NEW WEB SITE:
www.njpcp.com**

July 2019 – Morristown, NJ – Primary Care Partners (PCP), the largest primary care organization in Northern and Central New Jersey, with strategic clinical alliances with Atlantic Health System, is pleased to announce the launch of its new website, now available at www.njpcp.com.

Primary Care Partners is dedicated to providing enhanced accessibility for current and new patients. PCP will continue to grow its online presence as an innovative, interactive, and educational resource, making it easier and more convenient for patients to access high-quality medical care on their time. The mobile-friendly website is compatible with all smart devices and is designed with patient accessibility and simple navigation in mind.

Primary Care Partners' mission is to provide and improve the quality and coordination of patient care through compassion and professionalism to achieve a superior patient experience and positive outcomes – which motivated the redevelopment of the online presence.

Primary Care Partners is a clinically affiliated network of family practice, internal medicine, and pediatric physician groups. Primary Care Partners was designed to improve and effectively coordinate patient care in northern and central New Jersey. Today with more than 100 providers at 41 locations throughout New Jersey, PCP offers practice management and information technology solutions that enable physicians to focus more time on patients while meeting the demands of a changing healthcare environment.
